**Kidsport: Please visit [www.kidsportcanada.ca/alberta/apply-for-assistance/](http://www.kidsportcanada.ca/alberta/apply-for-assistance/)**

We believe that no kid should be left on the sidelines and all should be given the opportunity to experience the positive benefits of organized sports. KidSport™ provides support to children in order to remove financial barriers that prevent them from playing organized sport.

How does KidSport help?

- KidSport provides grants to children from families facing financial barriers so they can participate in registered sport programs.
- KidSport supports programs that provide the child with a sustained sport experience led by qualified instructors.

Who is eligible to receive a KidSport grant?

- Families that are on a low income, unemployed, on AISH, currently receiving income support through provincial government are all considered eligible.
- KidSport considers social and economic barriers facing the child's family when determining eligibility.

**Annual General Meeting: Will be held in person Wednesday October 25<sup>th</sup> at 7pm**

A representative for each member (registered child) must be present for this meeting. Please send a representative to speak on your behalf in your absence (another skating parent works). Annual General Meeting participation by all members is mandatory as part of our society bylaws.

#### **Rules and Regulations:**

- Helmets are required for all skaters in Pre-Skate and Learn to Skate and must be CSA approved. Bike helmets are NOT allowed. See below for Fun Skate Rules
- Children should be dressed appropriately for the temperature on the ice. It is cold and younger children should have proper winter coats, snow pants and mitts/gloves. All children no matter their age must have mittens or gloves.
- There are no refunds for snow day cancellations or no school days. If there is no school or weather makes roads unsafe to travel, the executive will make a decision on whether or not to cancel lessons for that night. Notice will be provided on the Caroline Skating Club FaceBook Page and on Caroline Skating Clubs Team Snap
- **FUN SKATE RULES** – Parents please re-enforce these with your children
  - Hair must be pulled back into a ponytail
  - Only members approved by the coach and with a signed helmet waiver can skate without a helmet
  - No gum

- No jeans
- Bring a water bottle
- Please go to the washroom before going onto the ice
- Please no big bulky gloves as coach needs to see hand movements
- When not in one on one lesson skaters must be practicing. Disruptive behavior will not be tolerated, and skaters may be asked to leave the ice.
- Get on the ice...on time! Failure to be on ice on time may result in loss of one on one coaching time that day.
- **Parent Responsibility:** Our coaches must remain on the ice with the children for insurance purposes and as such they are unable to get off the ice to be with your child if they need to leave the ice surface. Please ensure you have a designated guardian available at the arena to assist your child should something happen during the lesson.
- **Refunds:** The skating club may, at times, need to cancel lessons for situations outside of our control (extreme weather, funerals). We will make best efforts to reschedule makeup lessons but at times this is not possible. No refunds will be provided for these unfortunate and unplanned events.
